

COMMON PROBLEM #4:

There's a Breakdown in Teamwork or Communication

Situation: Instead of working together, people seem focused on protecting their own area first. One team blames the other for performance issues such as sloppy implementation, missed deadlines, sub-par results or significant quality problems. Tension and stress are on the rise as management looks for answers. Customer service may be suffering. *You know quick fixes won't work, but what can you do to identify the underlying problem?*

We can help. Anselm Group uses advanced diagnostic tools to uncover the root causes of teamwork and communication issues. Then we can tailor our “interventions” to fit the unique situation and challenges of each client group. The result? Improved effectiveness at the individual, team and departmental levels – real improvement for real-world problems.

To find out more, we invite you to call Anselm Group today at **(269) 353-1898** for a free initial consultation. Or e-mail us at info@anselmgroup.com. Welcome!
