## Common Problem #1: *A Major Change is Coming to Your Company*

### Situation:

A major change is coming to your company or organization. It could be a reorganization or merger, a buyout or strategic downsizing. It may involve a significant realignment of roles and responsibilities.

You're concerned that your people aren't ready to accept those changes much less embrace them in a positive way. You wonder if the opportunities ahead will be overwhelmed or undermined by negative attitudes, fear, distrust or passive resignation.

*Change is coming...but what can you do about it?*

**We can help.** Anselm Group has the tools, insights and expertise to help you navigate these changes, both at the leadership and the team levels. With more than 20 years of organizational consulting experience, we've seen many such changes...and we know how to prepare your people for success in the midst of those changes.

To find out how, call Anselm Group today at **(269) 353-1898** for a free initial consultation. Or send an e-mail to [info@anselmgroup.com](mailto:info@anselmgroup.com). *Welcome!*
